

KOÇ UNIVERSITY

## Math-Science Seminar

**Speaker:** Hüseyin Uğur (TÜBİTAK, National Metrology Institute (UME))

**Title:** Scientific and Technical work at UME and potential areas for cooperation

**Date and Time:** Thursday, April 12, 4:45 pm.\*

**Place:** Room Z42, Science Building, Koç University, Rumelifeneri Yolu, Sarıyer 80910 Istanbul, Turkey.

**Abstract:** In this talk some of the 80 projects in progress in UME will be summarized, and the areas UME can cooperate with universities will be discussed. This talk, rather than concentrating on one single subject and presenting the results, instead will cover many different subjects in Physics, Electronics, Mechanical Engineering, and will aim to give a flavor of what is done in UME, and to promote cooperation between UME and the Koç University.

\*Refreshments to be served in Science Building, Room Z40 at 4:30 pm.
