Teaching Assistants: Nuri Şensoy, Mehmet Öz

Web Address: Assignments, answer keys, and updates about the course will be posted at the course website: http://home.ku.edu.tr/~bozbagci/MATH204Spring2013.htm

Topics to be covered (tentative):

2.1, 2.2, 2.6, 3.1-3.6, 5.1-5.3, 6.1-6.4, 6.6, 7.4-7.9, 10.1-10.5

Evaluation method: Students’ progress will be evaluated according to their performance in two midterms and a final exam. The final exam will be a comprehensive exam covering all the material of the course. The contribution of the midterm and final exams are as follows: midterm exams 25% each, final exam 40%. The remaining %10 will be covered by the points earned from the weekly Problem Sessions.

Problem Session: A student will earn 1 point for each Problem Session that he/she attends. The maximum total number of points for this semester is 10.

Make-Up Policy: If a student misses a midterm exam and has a documented valid excuse (e.g., illness, family emergency, or attendance to university endorsed activities) accepted by the Dean’s office, his/her score in the final exam will be substituted for the grade of the exam that is missed.
