**Textbook:** Stewart’s Calculus: Early Transcendentals, 7th edition.

**Sections to be covered from textbook:** 2.2-2.8, 3.1-3.6, 3.9, 4.1-4.5, 4.7, 4.9, 5.1-5.5, 6.1-6.3, 7.1-7.5, 7.8, 8.1, 8.2.

**Evaluation method:** Students’ progress will be evaluated according to their performance in the midterm and final exams. There will be two midterm exams. The Midterm Exam 1 and 2 will be held during the weeks of March 26 and May 7, respectively. The midterm exams will cover the material not covered in the earlier exams. The final exam will be a more comprehensive exam covering all the topics of the course. The contribution of the midterm and final exams are as follows, midterm exams 25% each, final exam 40%.

**Attendance:** Students are required to attend all the lectures and problem sessions. Attendance will be taken randomly in the problem sessions and this contributes 10% to your grade.

**Policy for Make-Up Exams:** There will be no make-up exam for the midterm exams. If a student misses one or more midterm exam(s) and has a valid medical report or an excuse accepted by the Dean’s office, his or her score in the final exam will be substituted for the grade of the exam(s) that is (are) missed. Otherwise, a zero will be entered as the grade for the corresponding exam(s). Under the same conditions, a make-up exam will be given to those who miss the final exam.

**Policy for Auditing Students:** In order to get an AU in this course a student should attend a minimum of 30 lectures. To determine this, the auditing student(s) should contact the instructor at the end of each class and ask to sign a special attendance sheet.

**Academic Dishonesty:** If a student is caught cheating in an exam, (s)he will be punished according to the YÖK regulations. These consist of one or two semesters of prohibition from attending the university.
