Central European Journal of Operations Research
Special Issue on
Recent Advances
in Computational Biology, Bioinformatics and
Medicine
to participants of the
CBBM 2016 Conference

At the occasion of the CBBM 2016, August 21-24, 2016, Istanbul, Turkey, the journal **Central European Journal of Operations Research (CJOR)** invites submissions of papers to a special issue on **Recent Advances in Computational Biology, Bioinformatics and Medicine**. Computational Biology, Bioinformatics and Medicine is among relatively new but emerging field of Operational Research. Applications of Operations Research models and solution algorithms are of great importance for understanding fundamental questions in life sciences. With this special issue in Central European Journal of Operations Research, the guest editors want to collect state-of-the-art contributions presented at the occasion of CBBM 2016 and stimulate excellent future research interactions hosted and fostered in the OR community.

CJOR is the official journal of the Österreichische Gesellschaft für Operations Research which is highly supported by their fellow societies of Croatia, Czech Republic, Hungary, Slovakia, and Slovenia. The journal offers high quality papers that cover the theory and practice of OR and the relationship of OR methods to modern quantitative economics and business administration. Each issue expands our understanding of managerial problems in complex systems and supports the decision-making process. This journal features theoretical papers as well as application-oriented contributions and practical case studies. The submitted papers must not have been previously published or be currently under consideration for publication elsewhere.

Guest Editors: Prof. Dr. Metin Türkay, Prof. Dr. Jacek Blazewicz,
Prof. Dr. Marta Szachniuk, Prof. Dr. Gerhard-Wilhelm Weber

Important Dates: Submission deadline of full papers: November 1, 2016.

Submission Details: Participants of Mini EURO CBBM 2016 are cordially invited to submission. The format of manuscripts for CJOR as well as guidelines and templates can be found on the webpage of Springer-Verlag, <https://www.editorialmanager.com/cjor/>.
