Professor of Economics
Koç University, Istanbul, Turkey,
and
Research Fellow,
CEPR, London, U.K.

March 2015
Abstract

This document contains citations for my research papers. They are listed by publication or working paper. For my books and for selected articles, I have also included references on graduate teaching syllabi. The majority of the citations are from publications in the *Social Science Citation Index* (those marked with a “*”). However, there are also citations from lectures and books.

\(^1\)Revised version of “Gestation Lags and the Business Cycle,” 1984.

**Working Papers**

42. Luca Fanelli (2008). “Estimation of a DSGE model under VAR expectations,” University of Bologna
